### **DETAILED ACTION**

1. The following is a statement of reasons for the indication of allowable subject matter:

The primary reasons for the indication of the allowability of claims 1-26 are the inclusion therein, in combination as currently claimed, of the limitation of the lock receptacle including a catch which engages the latch when the latch is in the locked position and prevents disengagement of the cover from the base section (for claims 1-26).

The previously listed limitations are neither disclosed nor taught by the prior art of record, alone or in combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
